Company Celebrates Expansion

The Hodge Company Completes 50,000 Sq. Ft. of New Construction

DUBUQUE, IOWA — The Hodge Company is celebrating the completion of two major expansions with a ribbon cutting ceremony today at 12:00 p.m. at its new facilities in the Dubuque Industrial Center West. The event is being held at 7465 Chavenelle Road. After the ribbon cutting, guests will tour the new Hodge Material Handling facility and the new Infosafe Records Management operation.

Construction for the Hodge Material Handling facility began in April of 2007 and was completed in November of 2007. The new building features 21,000 sq. ft. of shop space and 9,000 sq. ft. of office space. It is home to the company's New and Used Forklift Sales, Parts, and Service, as well as its Loading Dock, Pallet Rack, and Allied Equipment Sales and Installation.

Additionally, the Hodge Company recently completed its Infosafe Records Management facility. The 20,000 sq. ft. records storage facility has 2,000 sq. ft. of vaulted, temperature controlled storage. The construction of Infosafe began in April of 2007 and was completed in January of 2008. Infosafe is a full service commercial off-site records storage facility.

COMPANY INFO:

The Hodge Company was established in Dubuque in 1958 as a warehousing company. Since then, the company has evolved to meet the needs of its clients. It now offers a wide range of services which include Hodge Material Handling, T.M. Logistics, Infosafe, and Walter Development. The company also established a Hodge Material Handling Branch in Bettendorf, Iowa in September, 2001.
